B-W GARDEN CLUB MEETING TO BE HELD AT YOUTH CENTER

The regular meeting of the Bay-Waveland Garden Club will be held at the Youth Center Thursday, December 11, at 3 p. m. The meeting place was changed because the Christmas Show will be held at this meeting and requires extra room.

Mrs. Harold Keefe, Chairman of the Christmas Show will be at the Youth Center from 10 a. m. to 12 noon Thursday to accept entries. The show schedule is as follows:

The Christmas Show will be held at the regular monthly meeting Thursday, December 11, 3 p. m. at the Youth Center.

All restrictions off—any type container, material and accessories may be used in both compositions and arrangements.

Below are the various classifications. One may be entered in each class:

Class 1—Door Decorations
Class 2—Dining Table
Class 3—Mantle
Class 4—Coffee Table
Class 5—Nursery or Playroom
Class 6—Kitchen

Judging will be by each member placing one penny in front of arrangement or composition they think best in each class.

A prize will be awarded the member whose entry, in both Senior and Junior divisions, has largest number of pennies placed before it.

Please write your name on card or slip of paper, and place face down under each entry you bring in.

Also we have received a gift of fifty books.

General wraps, wallets, and purses have been left at the library. Owners may have same by identifying them.

Bay-Waveland Garden Club Scrapbook To Be On Display At Local Library

The Bay-Waveland Garden Club Scrapbook for 1957-1958, compiled by Mrs. Frank Embrey, will be on display at the City-County Library.

This scrapbook was awarded the blue ribbon in competition with member clubs of the Gulf Coast Chapter of the Garden Club of America.

The scrapbook was compiled by Mrs. Frank Embrey, who was a member of the club for many years.

The scrapbook contains many beautiful photographs and illustrations of the club's activities and members.

The scrapbook is a valuable record of the club's history and is a pleasure to look through.

The scrapbook is on display at the City-County Library from December 4 to December 10.

The scrapbook is a beautiful work of art and is a credit to the club and its members.

The scrapbook is a wonderful gift for anyone who loves gardening and the outdoors.

The scrapbook is a beautiful record of the club's history and is a pleasure to look through.

Gulf Coast commuters to New Orleans "issued" the following statement this week as a result of the L & N Railroad's announcement that commuter service would be discontinued January 1.

"The commuters are definitely not in accord with recent published releases outlining the railroad's determination to discontinue a vital public service.

The commuters themselves are not the only ones affected by this threatened consequence. Members of the Gulf Coast Commuters Association, are urging everyone to be present at a public meeting to be held at Bay High School, Wednesday, Dec. 10, at 8 p. m.

As a merchant, property owner, taxpayer, or resident of this community you owe it to yourself, your business, your investments, and the welfare of your family and hometown to be in attendance at this meeting.

The events leading up to the railroad's traumatic decision will be aired as well as steps which have been taken up to now by the Gulf Coast Commuters' Assn.

The contingent suffering which will be borne by Bay St. Louis citizens will be discussed in detail. The association believes that every civic minded and responsible citizen has a stake in the future of this vital transportation link."

Anyone wanting to contribute to the fund can send donations to J. W. Watts, Jr., Chairman, or J. Cyril Glover, Treasurer.

Funeral services for John F. Lee, father of Mrs. Bernard Clarkin, will be held at 2:00 p. m.

Mr. Lee, a native of Scotland, resided in New Orleans for the past 55 years; he was 88 years of age and was married to the former Mary Louise Ivon.

Religious services were held at Our Lady Star of the Sea Church followed by interment in Garden of Memories cemetery.

In addition to his widow and Mrs. Clarkin, Mr. Lee is survived by his daughters, Mrs. Sarah Landry, Mrs. H. S. Hubbard, and Mrs. N. V. Wambas; three sons, John Lee, Morris and Edward Schneider; 13 grandchildren and 18 great-grandchildren.

USDA Issues Milk Marketing Area For Miss. Gulf Coast Area

Milk handling in the Mississippi Gulf Coast Marketing area will be regulated under terms of a Federal marketing order effective Dec. 1, the U. S. Department of Agriculture announced today.

Pricing provisions of the order, however, will not go into effect until January 1, 1959.

Cleo J. Taylor, of Jackson, Miss., will be administrator of the order. Mr. Taylor is also market administrator for the Central Mississippi, Miss. Delta and Northern Louisiana Federal Milk Marketing orders.

In announcing issuance of the new marketing order, the Department said 392 producers, or 100 percent of qualified producers, expressed approval of the order. Approval by more than two-thirds of those voting was necessary for issuance of the order.

Federal Milk marketing orders set minimum prices which handlers supplying specified marketing areas must pay producers for their milk. They do not regulate retail prices.

The Mississippi Gulf Coast marketing area is specified as the Mississippi Counties of Hancock, Harrison, George, Green, Jackson, Pearl River and Stone. Principal cities in this area are Gulfport, Biloxi and Pascagoula.

All milk handled by those subject to the order will be classed as Class 1—all fluid (condensed milk and cream or as Class 2—milk used in making ice cream, cottage cheese, and other manufactured dairy products.

The Class 1 price will be the Central Mississippi Class 1 price plus 10 cents. The Class 2 price will be the prices paid at four local manufacturing plants plus 10 cents during March through July and plus 20 cents in all other months.

Funeral Services For Mrs. Madeleine Tremont Held Friday, Nov. 28

Funeral services were held Friday, November 28 at 4:00 p.m. from the Jacob Schoon and Son Funeral Home, New Orleans, for Mrs. Madeleine Tremont.

Interment in St. Louis Cemetery was made by the same firm.

Other survivors include her grandchildren, Mrs. Floyd Wills and Mrs. Charles Wills, Jr., great-grandchildren Lisa and Don Wills.

Mrs. Tremont was well known in Waveland as the wife of the late Mr. J. B. Tremont and was a devoted mother and grandmother.

Carefully Planned Course in Piloting Scheduled For January

A carefully planned course in piloting will be conducted early in January by the Mississippi Coast Power Squadron under the sponsorship of the Gulfport Yacht Club.

Classes are to be conducted once a week for 10 weeks at the yacht club and are open to the interested general public.

Announcement of the course, intended to promote skills and safety, is being made among small boatmen by a sign posted at the club.

He said that exact dates for the course will be announced in the next few days, following further conferences with officials of the Yacht Club, who have pledged their complete co-operation.

Commander Martin said that the Squadron "anticipates the attendance of the largest class in our history and we are making careful preparations to accommodate a record number."

He added that "each instructor among the several who will take part is especially qualified in the field upon which he has been selected to lecture, and each will be equipped with various visual aids for his subject."

The officer explained that the course is offered without charge or obligation. He said those who pass the examination will be eligible to membership in the Squadron.

"Those who are accepted for membership in the Squadron," Commander Martin noted, "will be eligible to continue their studies and to master advanced courses which will add greatly to their safety afloat as well as to their enjoyment of boating. These further studies include Seamanship, Advanced Piloting, Navigation, Weather and Engine Maintenance."

"I would like to stress that a privilege of membership, however, is a privilege and not an obligation for those taking the course."

"I would like to thank the Gulfport Yacht Club for making available to us, for the conduct of the piloting course, their excellent facilities."

Interested parties should get in touch with the squadron secretary E. M. George, 1902 Lafayette Street, Biloxi.

The Coast Squadron is a unit of the United States Power Squadron, numbering 250 groups and 41,000 members. This nationwide association of boatmen is dedicated to the promotion of safety, good citizenship and good fellowship afloat. It furthers these objectives by offering the various courses in boating.

Much of the material to be offered in the January course is based on the widely accepted book by Charles F. Chapman, "Piloting, Seamanship and Small Boat Handling."

AMERICAN LEGION AUXILIARY MEETING

The regular meeting of the American Legion Auxiliary will be held Tuesday, Dec. 9, at the Legion House at 8:00 p. m.

Be careful about waste as you prepare and serve meals. Five cents a meal each day adds up to \$54.75 in a year!

WHAT SIZE TURKEY?

I'm going to have 10 people for dinner Sunday and I think I'll have turkey. Wonder what size turkey I ought to get? Or you might be looking ahead to Thanksgiving and wondering what size turkey you need.

FRUIT TREES

It's time to plant those apple, peach, plum, and pear trees you've been planning for your home grounds or orchard. November and December are fruit tree planting months.

Only A Few Days For Farmers To Obtain Assistance Says Lee

There are only a few more days left for farmers to obtain assistance under the 1959 Agricultural Conservation Program, according to Mr. E. H. Lee, Chairman of the Hancock County Committee.

The committee chairman states that 1959 ACP practices must be completed by December 31, 1959.

Letters of administration having been granted on the 15th day of November, 1958, by the Chancery Court of Hancock County, Mississippi, to the undersigned upon the estate of LILLIE BELLE WALKER, deceased, notice is hereby given to all persons having claims against said estate to present the same to the Clerk of said Court for Probate and registration according to law within six months from this date, or they will be forever barred.

This 15th day of November, A. D. 1958.

DAVID WATSON SIMMONS
Administrator.

NOTICE TO CREDITORS
ESTATE OF ERNESTINE MOSLEY, DECEASED

Letters Testamentary with Will annexed of the Estate of Ernestine Mosley, deceased, was granted to the undersigned by the Chancery Court of Hancock County, Mississippi, on the 21st day of November, 1958, and therefore notice is hereby given requiring all persons having claims against said estate to present and have same probated and registered by the Clerk of said Court within six months from this date and failure to do so will bar the claim.

This 21st day of November, 1958.

FLOYD C. MOSLEY
Executor.

NOTICE OF TRUSTEE'S SALE

WHEREAS, on the 19th day of March, 1955, Z. I. Skipper, husband and wife, executed a deed of trust to W. J. Phillips, trustee, to secure an indebtedness therein mentioned to A. G. Dantagnan, and Mrs. A. G. Dantagnan, which deed of trust is recorded in Vol. 59, pages 550-1, Records of Mortgages and Deeds of Trust on land in Hancock County, Mississippi, and

WHEREAS, the said indebtedness so secured is past due and unpaid, and

WHEREAS, A. G. Dantagnan, and Mrs. A. G. Dantagnan, the holder of said indebtedness having requested me, the undersigned Trustee, to foreclose said deed of trust,

NOW THEREFORE, I will on, MONDAY, DECEMBER 22ND, 1958,

between legal hours offer for sale and sell to the highest bidder for cash, in front of the front Court House Door of Hancock County, Mississippi, the land situated in Hancock County, Mississippi, and described in said Deed of Trust as follows to-wit:

Beginning at a point which is the Half Section corner between Sections 1 and 12, T. 9, S. R. 15 West; thence West 760 feet, more or less, to a stake on the West side of the Lighthouse Public Road, thence N. 46 degrees 14' 30" W. 100 feet to a stake; thence East 787.3 feet, more or less, to the East line of the SE 1/4 of Section 1; thence South 95.7 feet to the place of beginning; said land containing 1.37 acres, more or less, and being part of the SE 1/4 of SW 1/4 of Section 1, T. 9, S. R. 15 West, Hancock County, Miss.

Long Distance Lines To Be Tripled Between Atlanta and Jackson

The Long Lines Department of the American Telephone and Telegraph Company announced today the completion of a project to triple the capacity of the long distance lines between Atlanta and Jackson, Miss., according to J. C. Dabney, Southern Bell Manager.

The Coaxial cable route will now be able to carry 1800 telephone conversations, compared to 600 previously. Eighty four concrete repeater stations were constructed between Jackson and Atlanta to house amplifying equipment for the improved cable route. Of the 84 stations, there are a total of 35 stations between Jackson and Meridian and seven between Meridian and the Alabama-Mississippi state line, he said. All stations are approximately four miles apart along the route.

ADMINISTRATOR'S NOTICE TO CREDITORS
OF ANNA MORAN, DECEASED
No. 8027

State of Mississippi, County of Hancock

Letters of administration having been granted on the 18th day of November, A. D. 1958, by the Chancery Court of Hancock County, Mississippi, to the undersigned upon the estate of Anna Moran, deceased, notice is hereby given to all persons having claims against said estate to present the same to the Clerk of said Court for Probate and registration according to law within six months from this date, or they will be forever barred.

This 18th day of November, A. D. 1958.

J. P. MORAN, SR.
Administrator.

NOTICE OF TRUSTEE'S SALE

WHEREAS, on the 30th day of November, 1957, Roddy R. Dambrino and Yvonne M. Dambrino executed a deed of trust to W. J. Phillips, trustee, to secure an indebtedness therein mentioned to Gayle Aiken, Jr., and Charlotte R. Aiken, which deed of trust is recorded in Vol. 72, pages 203-4, Records of Mortgages and Deeds of Trust on land in Hancock County, Mississippi, and

WHEREAS, the said indebtedness so secured is past due and unpaid, and

WHEREAS, Gayle Aiken, Jr., and Charlotte R. Aiken, the holder of said indebtedness having requested me, the undersigned Trustee, to foreclose said deed of trust,

NOW THEREFORE, I will on, MONDAY, DECEMBER 8TH, 1958,

between legal hours offer for sale and sell to the highest bidder for cash, in front of the front Court House Door of Hancock County, Mississippi, the land situated in Hancock County, Mississippi, and described in said Deed of Trust as follows to-wit:

Beginning at a point which is the Half Section corner between Sections 1 and 12, T. 9, S. R. 15 West; thence West 760 feet, more or less, to a stake on the West side of the Lighthouse Public Road, thence N. 46 degrees 14' 30" W. 100 feet to a stake; thence East 787.3 feet, more or less, to the East line of the SE 1/4 of Section 1; thence South 95.7 feet to the place of beginning; said land containing 1.37 acres, more or less, and being part of the SE 1/4 of SW 1/4 of Section 1, T. 9, S. R. 15 West, Hancock County, Miss.

ADVERTISED, posted and dated this 25th day of November, A. D. 1958.

W. J. PHILLIPS,
Trustee.

where an average of 1,000 trees are planted per acre, the payment rate for trees planted this winter under the 1959 Agricultural Conservation Program is \$9 per acre if the seedlings are planted by hand, and those farmers who desire ACP assistance for planting trees are advised to visit the ASC county office located in the Agricultural Building and file a request for the trees is executed. Mr. Flautt states that a request for assistance must be filed before the trees are planted and that no assistance can be approved for requests filed after the trees have already been planted.

Prosperity conscious Mississippians are cheered by the announcement that 12 Southern States including our own are launching the most intensive forest development program for small woodlands undertaken during recent years in the United States. The new activity calls for Mississippi and the South on the way to peak production. Private landowners and farmers in Mississippi own some 12,120,000 acres of forest land in our state.

VOTE FOR THE BOND ISSUE DECEMBER 16TH

--:--Here Are The Actual Facts--:--

Questions and Answers regarding the Bay St. Louis Public Schools:

Q. What is the present pupil population of the Bay St. Louis Public Schools?

A. The present enrollment is 1460.

Q. Is the enrollment increasing?

A. Yes, the annual increase is 150 pupils, white and colored.

Q. Where is this increase chiefly coming from?

A. Parents moving into the coastal area. Birth Rate for school population from 1951 to 1958 has doubled.

Q. Should parents without children vote for this issue?

A. Yes, better schools make better communities in which to live.

Q. How does good schools effect property values?

A. Where a community provides quality education, property values stabilize and better loans are more easily obtained.

Q. What will the entire building program cost?

A. \$240,000.

Q. What part of this will come from State Aid?

A. The Bay St. Louis Public School System has a potential \$55,000 grant available from The State Educational Finance Commission.

Q. Bond issue will be for how much?

A. \$185,000.

Q. How many classrooms are needed for the local school district?

A. The present enrollment (1460) indicates a need of 48 classrooms. The enrollment in September, 1959 will be approximately 1600. At least 54 classrooms will be required to house the pupils at that time.

Q. How many regular serviceable classrooms does the school district have now?

A. Nearly 35.

Q. How do we take care of our present enrollment as to classrooms?

A. By having crowded classrooms, classes in Music Department, Auditorium, Gymnasium and Balcony in both Colored and White Schools.

Q. Will the number of classrooms asked for be adequate?

A. It will be adequate for some years at the high school level. Elementary schools or additions will be needed periodically, however, if the present birth rate continues.

Q. If parochial schools should build more classrooms in the next year or so, do you think this would help our public school crowded situation?

A. No. There has always been public and private schools here. We have taken a survey of our students and we have not found a single student here that has been turned down for lack of facilities elsewhere.

These are the true facts for the last five years and figures for the next five years if enrollment continues along same scale:

	Enrollment	
	White	Colored
1953-54	518	151
1954-55	632	176
1955-56	706	273
1956-57	834	349
1957-58	903	408
1958-59	1007	451
1959-60	1100	540
1960-61	1200	600
1961-62	1300	650
1962-63	1400	700
Total		2100

Q. What grades will the new school have?

A. Grades 4 through 8.

Q. Where will beginners go to school?

A. Beginners through 3rd grade will still go to Bay Central Elementary School.

Q. What hand do the Board Members play in School Policies?

A. Board members shape the policy of their schools. They work long hours to bring your child and community the best in Education Services.

Q. Will this building benefit all of the public school students or just those who are fortunate enough to attend it?

A. It will benefit all of our students. Those coming from Waveland and Bay St. Louis will attend this school until completion of the Eighth Grade. Our high school students will be greatly benefited by a better and larger curriculum and also more space and facilities for extra-curricular activities.

Q. Does this building program include facilities for the colored school?

A. Yes. A four classroom addition to the Valena C. Jones School.

Q. Has the Board of Trustees set up a long range construction plan for meeting the school building needs?

A. Yes. The Board has to keep a long range plan on file in Jackson with the State Educational Finance Commission.

Q. What are other school districts over the State doing about their school needs?

A. The better school systems are financing rather significant construction programs.

Q. Can you give some examples?

A. Hancock County voted \$300,000 in April, 1957. Natchez voted \$3,000,000 in December, 1957. Gulfport voted \$750,000 in May, 1958. Meridian voted \$4,000,000 in October, 1957. Greenwood, Greenville, Columbus, Jackson and many other leading school systems have done likewise.

Q. When is this \$185,000 bond issue to be voted on?

A. Tuesday, December 16, 1958.

Q. Where will the voting places be located?

A. City Hall in Bay St. Louis for qualified electors residing in the City.

Hancock County Court House for electors residing outside the corporate limits. Electors of Edwardsville and Arlington precincts there. Electors from Waveland at the Town Hall in Waveland.

If you have other questions or would like to have additional information, please call HO-7-6621 or get in touch with any member of the City Council or Board of Trustees.

NOTES

HARVESTING TIPS

When harvesting corn, it is important to use the proper technique to avoid damage to the crop. The following tips are provided for your reference:

- 1. Use a sharp knife to cut the corn.
- 2. Do not pull the corn from the stalk.
- 3. Avoid using a pitchfork or other sharp object to remove the corn.
- 4. Handle the corn gently to avoid bruising.
- 5. Store the corn in a cool, dry place.

CATTLE LICK

When using a cattle lick, it is important to ensure that the lick is properly maintained. The following tips are provided for your reference:

- 1. Clean the lick regularly.
- 2. Replace the lick material as needed.
- 3. Ensure that the lick is accessible to the cattle.
- 4. Monitor the cattle's health while using the lick.

FERTILIZING CLOVER AREAS

When fertilizing clover areas, it is important to use the proper amount of fertilizer. The following tips are provided for your reference:

- 1. Use a balanced fertilizer.
- 2. Apply the fertilizer evenly.
- 3. Water the area after fertilizing.
- 4. Monitor the clover's growth.

STRAWBERRIES

When growing strawberries, it is important to ensure that the plants are properly maintained. The following tips are provided for your reference:

- 1. Remove old plants.
- 2. Plant new plants in the fall.
- 3. Water the plants regularly.
- 4. Monitor the plants for pests.

FOOT ROT

When treating foot rot, it is important to use the proper treatment. The following tips are provided for your reference:

- 1. Clean the foot.
- 2. Apply the treatment.
- 3. Monitor the foot's health.

ARTHRITIS?

When treating arthritis, it is important to use the proper treatment. The following tips are provided for your reference:

- 1. Rest the joint.
- 2. Apply heat or cold.
- 3. Monitor the joint's health.

HOME AGENT'S NOTES

By GLORIA CLAY

Do the children meet you at the door with "Where did you bring me?" as you come home from the grocery store?

Instead of candy, cookies or cake, bring a "treat" for them. Was not fruit or chocolate milk? Started at an early age, they will look forward to a nourishing in-between treat.

Even these ideal treats should be far enough from regular meals not to lessen the appetite for the meal.

DECEMBER SPECIALS

There will be plenty of turkeys for Christmas says the U. S. Department of Agriculture and names them at the top of the plentiful foods list for that month.

Along with them are a variety of foods to fit in holiday meals: apples, broilers and fryers, cranberries, canned ripe olives, canned and frozen peas, dates, walnuts, honey, peanuts and peanut butter, vegetable fats and oils.

BAKED APPLE DESSERT

For a colorful dessert combine two of the food plentiful—apples and cranberries. Place chopped fresh cranberries in the center of the apples before baking.

A topping of fluffy cream cheese is another way to add appeal to baked apples. Soften the cheese with cream and beat until fluffy and spread on top of the apples.

DATE NUT BARS

A holiday confection that uses other plentiful that you can find as good buys at your grocery store is Date Nut Bars. You will need:

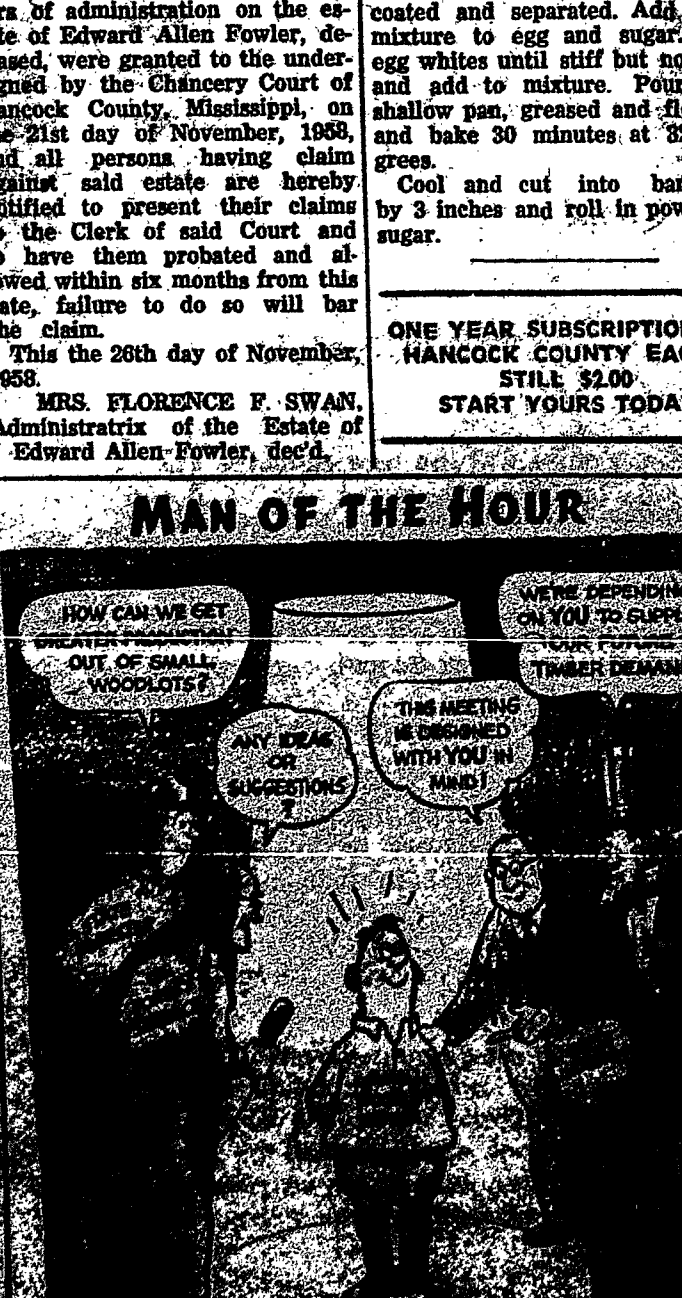

- 5 eggs, separated
- 1 cup sugar
- 1 cup flour
- 2 teaspoons baking powder
- 1 cup chopped dates
- 1 cup chopped nuts

Beat egg yolks until light. Add sugar and beat until creamy. Sift flour and baking powder, add chopped dates and chopped nuts. Mix well so that all are well coated and separated. Add flour mixture to egg and sugar. Beat egg whites until stiff but not dry, and add to mixture. Pour into shallow pan, greased and floured, and bake 30 minutes at 325 degrees.

Cool and cut into bars 1 1/2 by 3 inches and roll in powdered sugar.

NOTES

HUNTING SEASON ACCIDENTS

Most Mississippi accidents are thoroughly familiar with the basic rules for safe handling of firearms, but other hunters either do not know or do not follow these rules. This fact is clearly established by the number of injuries and fatalities which occur in our state each year because of careless handling of guns.

Hunting accidents are avoidable. Careless handling of guns is the cause of most hunting accidents. Hunters should be followed in using deadly weapons.

LIMITLESS CHEMICAL

Mississippi has limitless chemical resources. The state has a large area of land which is suitable for the production of chemicals. The state has a large area of land which is suitable for the production of chemicals.
